OUR ACADEMY

The ACADEMY OF DENTISTRY, formerly the Toronto Dental Society, has been functioning continuously since 1889. It has provided leadership and service to both the profession and the community, and will continue to do so in the future.

The OBJECTS of the Academy are:

1. Advancement of the art and science of dentistry.
2. To promote the highest ideals of dental practice.
3. Cultivation of harmony and good fellowship among its Fellows, and among the members of the dental profession generally.

Some of the specific services provided are as follows:

1. The Annual WINTER CLINIC.
2. After hours EMERGENCY TREATMENT service for the public.
3. The Annual INFORMATION BOOK, a directory of dental organizations.
4. The LADIES' AUXILIARY, which provides support for worthy dental projects, and various fellowship activities.
5. PUBLIC RELATIONS, a secretary to answer the public's queries and complaints.
6. An ELECTED COUNCIL, representing all Metro Toronto dentists and their local component societies.
7. CO-ORDINATION of dental and fellowship functions within Metro Toronto.
8. DENTAL MEETINGS with excellent programs and clinicians.
9. Assistance in formation of new STUDY GROUPS.
10. HONOURARY MEMBERSHIP to recognize outstanding dentists.
11. ARCHIVES for historical dental information.
12. Fellowship activities such as the Annual GOLF TOURNAMENT and CURLING BONSPIEL.
13. MEDIATION services for the public.
14. COMMUNICATION with dental auxiliary organizations.
15. LIAISON with local government and other community groups.
16. Provides an ASSOCIATE PLACEMENT service.

**THIS IS OUR ACADEMY.
KEEP IT STRONG.
SUPPORT IT, AND ENJOY IT.**

OFFICERS OF THE ACADEMY OF DENTISTRY 1982-83

President	Dr. R. Traub, 745 Danforth Avenue Ste. 202, Toronto M4J 1L4	465-4474 Home 491-8709
Past President	Dr. R.F. Martin, 170 St. George Street Ste. 524, Toronto M5R 2M8	922-5306 Home 447-7805
President-Elect	Dr. A. Breglia, 2440 Bloor Street West Ste. 4, Toronto M6S 1P9	769-6877 Home 239-7824
Secretary	Dr. J. Hing, 440 Brown's Line Toronto M8W 3T9	259-6597 Home 244-8234
Treasurer	Dr. A. Puskas, 91 Fifeshire Road North Willowdale M2L 2H2	223-0222 Home 223-6376

DR. RONALD TRAUB

Dr. Traub was born near Cracow Poland during the Second World War. He and his family survived and came to Canada in 1948. Dr. Traub received his elementary education at Dewson Street Public School, and then attended Kent Senior School and Vaughan Road Collegiate. He graduated from the University of Toronto in 1966 and has been in general practice for 16 years.

Dr. Traub has been a member of the Alpha Omega Executive since 1966. He has done volunteer dentistry at Baycrest Clinic since graduation and has been a member of the American Society for Geriatric Dentistry. He is an O.D.A. and C.D.A. member and has presented photography clinics for Alpha Omega and the Academy. Dr. Traub has been on the Academy Council and Winter Clinic Committee for several years and this year, after serving many years on the Toronto East Dental Society, he is now the President of that organization. He has been involved in photography since high school and is Past President of the Scarborough Camera Club.

Dr. Traub has been married 14 years to Sandra and they have two children, Stacy and Samantha. His spare time is divided between skiing, windsurfing and photography and he tries to include his family in all of these activities.

PRESIDENT'S MESSAGE

The Academy of Dentistry is a unique organization in the dental profession of Toronto. We are comprised of four local societies and therefore funded through grants from the O.D.A. Our Mediations Committees resolve many complaints and therefore alleviate the caseload of the R.C.D.S. The Emergency Service and Associate Placement Service continue to operate smoothly, helping the public and profession at large.

One of our most important roles is in continuing education. This year the Winter Clinic, under the excellent leadership of Dr. Arthur Breglia, will once more feature a wide and varied selection of clinicians. Note that the date has been changed to Monday, December 6th.

Plan to attend our First Stated Meeting on Friday, January 28, 1983, featuring Dr. Lendon Smith, the "Baby Doctor", whose appearances on the Johnny Carson Show have proved him to be a most enlightening and very humorous speaker. Our Second Stated Meeting will be March 16, 1983 at Camp Borden. Those who have attended this most worthwhile day know that the program is excellent and the fellowship always very much enjoyed.

Dr. Gilbert Chapnick, as Chairman of our Mediations Committee continues to do a splendid job and the Academy is most grateful for his tireless efforts.

I would like to thank Mrs. R. Wagman and Mrs. K. DeZorzi, our executive secretaries, for continuing to keep all the functions of the Academy running so smoothly. They make it look easy, but we know how much time and effort they expend on our behalf. Lastly, I want to personally thank the entire Council and all the Committee members for making my job a lot easier. Their efforts on behalf of the Academy have not gone unnoticed.

* * *

UNITED WAY REPORT

The United Way Campaign was again a success this year. The overall contributions were increased over last year. The professional division did very well. The dental division fell short of its goal. Unfortunately, the contributions were less than the year before and we hope in the coming year they will be increased.

Eva Saxell, D.D.S.
United Way for Metropolitan Toronto,
Dental Division,
1982

A HISTORY OF THE ACADEMY ON OUR 60TH ANNIVERSARY

The Toronto Dental Society was the first organized society of dental practitioners in Toronto. It was probably founded in 1889. This society was a "constituted body of legal practitioners of dental surgery". Its by-laws made provision for the election of officers, committees and a formal code of ethics. In view of the long, harmonious relationship the Academy has enjoyed with Base Borden, this item from the minutes is of special interest—"In 1901 the executive made submission to the Minister of Militia in Canada to provide dental surgeons to accompany and remain with the contingent now being recruited for service in South Africa". By 1901 the Society was economically solvent. After all, a typical cash balance in that year was shown to be \$6.48 . . . and of course, they had expenses as itemized in the following statement: Printing \$9.00; Stenographer \$3.00; Postage \$2.25 – grand total – \$14.25. This Society, while dedicated to the highest ideals of their profession, also enjoyed recreational sports as they do today. The Annual Golf Tournament was an important part of their activities. Entertainment provided by the Ladies Auxiliary was (as recorded in the minutes) very much appreciated. "Mrs. Herbert Tilley gave two very fine solos and an orchestra furnished sweet strains of music". The Society, however, did not grow as expected. Membership lagged seriously. A special committee reported that the only solution was to disband the organization and dissolve the existing unwieldy constitution. The original Toronto Dental Society was officially dissolved in October 1906 and a new constitution drawn up with the society retaining the same name.

By 1922 several local groups of dentists were holding meetings of their own to discuss ideas and exchange information related to dentistry. This led to the historic meeting of the Toronto Dental Society to consider the formation of an Academy of Dentistry which would represent local societies and study clubs. Twelve sections were determined that would reflect the various disciplines of the profession. Provision was also made in the by-laws for Stated Meetings. The first formal meeting of the Academy of Dentistry was held in the Academy of Medicine building, 12 Queen's Park Drive on October 4, 1922. The first Stated Meeting was also held in the same building.

In the ensuing years the minutes of meetings reflect not only the activities of the Academy but a fascinating microcosm of the growth of an organization that not only added to dental knowledge through societies and study groups, but created good fellowship through social events. For instance, in 1923 there was an active Oral Hygiene Committee, at least six Stated Meetings and numerous social affairs. During 1928, 29 and 30, we read of many

supper meetings, much enjoyed. In fact, a successful meeting preceded by a delicious dinner is still a popular indoor sport.

During 1932 and 1933 the importance of providing dental services for the poor was carefully examined. By 1933 "The Clinic for Indigents" was in operation. 1933 also saw the formal organization of the Ladies Auxiliary. During these years Clinic Nights were held at the Royal York and Osler hotels and other locations. These clinics were early forerunners of the Annual Winter Clinic. In 1934 a plan was presented for issuing an annual bulletin which would include programmes and information for the year. The Information Book has continued to be issued annually – you are of course, reading it! By 1935 organized component societies were flourishing and the Academy of Dentistry was proving to be a viable institution. 1937 was a banner year. It saw the beginning of the Winter Clinic as an annual all-day meeting. In 1939 the Winter Clinic moved to the Royal York Hotel which has been its home for 45 years.

In 1939 War clouds were again gathering. Some members of the Academy left to serve their Country, others remained and carried responsibility for the community. After the war, the Academy took on new vitality and strength. Membership increased rapidly. New ideas were discussed that could be of service to the public. In 1950 the Mediations Committee was formed and an Emergency Service was inaugurated.

The years passed and the Academy continued to be an active, useful body both to their profession and the public. Stated meetings, golf tournaments, curling bonspiels and the Annual Winter Clinic all contributed to the harmonious and professionally helpful spirit of the Academy. Local societies, study clubs, nurses and hygienists associations and the Ladies Auxiliary each in their own way continue to contribute.

The Academy like the rest of Canada, struggled through a depression and two World Wars and each time emerged stronger than ever. It is good to be able to say that as the Information Book goes to press for the 49th time, the Academy of Dentistry is alive and well and living on St. George Street.

WINTER CLINIC

Monday, December 6, 1982

ROYAL YORK HOTEL

Accredited by the Academy of General Dentistry

Featuring

DOMEENA C. RENSHAW, M.D.

Professor of Psychiatry, Loyola University of Chicago

ALL DAY SESSION

"INTIMACY WORKSHOP"

This workshop will examine the meaning of love/intimacy as it relates to personal and interpersonal closeness.

Dr. Renshaw is a well known teacher with a special interest in the fields of human sexuality and pediatric psychiatry.

Luncheon Speaker

DOMEENA RENSHAW, M.D.

"STRESS AND THE DENTIST"

DINNER

Presentation of Honorary Life Membership to
LLOYD M. GROSE, D.D.S., F.I.C.D.

AND

PRESENTATION OF 50 YEAR CERTIFICATES

FIRST STATED MEETING

January 28, 1983

DR. LENDON H. SMITH

Portland, Oregon

Dr. Smith, "The Children's Doctor", has been engaged in the practice of Pediatrics for over 31 years. He is a repeat guest on national television shows and on an ABC-TV feature on child care. He is a well-known speaker, lecturer and teacher.

Dr. Smith takes the listener step by step through the neurological and biochemical pathways to odd behavior, allergies and sickness in general, but he makes it fun. Cheerful information is his motto.

ALL DAY MEETING

SECOND STATED MEETING

All Day Session

Wednesday, March 16, 1983

"ACADEMY DAY"

at

**Canadian Forces Dental Service School
Base Borden, Ontario**

A programme of lectures and clinics presented by the Commandant and the Teaching Staff of the School.

GOLF
TOURNAMENT**

**JUNE 17, 1983
Brampton Golf Club**

**CURLING
BONSPIEL**

**FRIDAY, MARCH 4, 1983
Thornhill Country Club**

WHAT WILL HAPPEN TO YOUR OFFICE IF YOU ARE SICK OR DISABLED?

ACADEMY OF DENTISTRY MUTUAL AID PLAN

This is a group of dentists who will help a member of the group at a time of distress. Ideally, the group will number about twenty, but the number fluctuates as people join and leave. If you are a member of this group, and are unfortunate enough to be unable to practise because of illness or accident, the members of the group will take turns in operating your practice, with your auxiliaries, to a maximum of four days per week, for a number of weeks. This will provide service for your patients in case of emergencies, completion of treatment in progress and maintain the flow of recall patients.

Some of the benefits are, maintaining service availability to your clientele and employment for your auxiliaries as well as preventing the formation of a huge backlog of patients waiting for your return. If it becomes necessary for a practice to be sold, the plan can maintain the viability of the practice until the sale can be completed. The other members of the plan will come to your office one day at a time, on a rotating schedule. If the group numbers 20, the remaining 19 dentists would be responsible for about one day each, every five weeks for each disabled dentist. Fees are charged in the usual way at the stricken dentist's office, and the contributing dentist does not receive compensation.

This plan has been available for several years and has worked well to date for the stricken dentist. You might want to ask a friend or two to consider joining, or perhaps start a whole new group. A set of by-laws has been adopted, but they can be changed if the need arises.

Further details and a copy of the by-laws are available at the Academy office – 967-5649 or by calling Berril Garshowitz, 229 Yonge Street, Ste. 213A, Toronto M5B 1N9, telephone 368-3375.

MEDIATIONS COMMITTEE REPORT

The practice of Dentistry has become more complex in recent years. This is due to newer techniques, newer modes of delivery of our services, greater demands and expectations of our patients, prepaid dental plans, and changes in the Dentistry section of the Health Disciplines Act.

The Mediations Committee has therefore become a very important part of the Academy of Dentistry. This committee is comprised of three members from each of the four Toronto Local Societies and one chairman. They attempt to resolve the complaints made by individual patients. However, should these complaints involve malpractice, fraud, unprofessional conduct or negligence, they are referred to the Royal College of Dental Surgeons' Complaints Committee. The Mediations Committee has no legal authority to enforce their recommendations upon patients, third party carriers or dentists. Our purpose is to mediate the dispute through explanation and compromise and therefore avoid possible escalation of the problem.

One of our most numerous complaints relates to high fees. We should remember that the O.D.A. Suggested Fee Guide is intended only as a guide. It is therefore the obligation of the Mediations Committee to determine if the fees are reasonable for the quality of the treatment received.

Other complaints develop from misunderstandings between the dentist and his patient. Common courtesy will sometimes ease this friction and prevent escalation of these differences. It is helpful to recall the old adage, "That our tempers get us into trouble and our pride keeps us there".

Your committee has handled many complaints in the past year and this number would have been much greater had it not been for the able assistance of our office staff, Mrs. R. Wagman and Mrs. K. DeZorzi. To them and to all members of our committee, my sincere thanks.

Gilbert Chapnick, D.D.S.
Chairman, Mediations Committee

ASSOCIATE PLACEMENT SERVICE

The Associate Placement Service continues to be an important part of the Academy's function in the Metropolitan Toronto area.

At the present time there are more graduates seeking placements than there are vacancies. We urge all those who require associates, be it for one day or full time, to call the Academy office with their requirements.

Again, to facilitate the Placement Service, we would ask that you inform the Academy office once these requirements have been met.

Len Shapira, D.D.S.

EMERGENCY SERVICE

The Academy Emergency Service has again successfully provided a year of emergency care for patients. The service is in operation 7 days a week until 1 a.m. Dentists are reminded that they can make use of the emergency service after hours and on weekends by leaving a message on Code-A-Phone – Call 924-8041. This can be a means of assisting the practitioner in overload work.

New graduates continue to be a source of personnel for the emergency roster.

Stewart Sigesmund, D.D.S.
